"and the award goes to..."

NCS scooped the prestigious "**Best Overall Performance**" award for a second year running at the annual 'Toshiba Gala Ball' which was held at the exclusive Hangar 7 (Red Bull HQ) in Austria last month.

Toshiba's Top 10 Dealers were present at the Awards Ceremony which was hosted by Toshiba's Adam Sheppard (Managing Director) and Colin Creed (Indirect Sales Director). NCS Group MD Dil Srivastava commented "We are delighted to receive this award as it recognises our continued commitment to be the leading provider of Document Solutions in the UK, a position we continually strive to maintain."

YOU SPEAK, WE LISTEN!

In response to customer demand we are delighted to announce exciting new improvements in Service Desk provision throughout our IT Department.

We have recently introduced a service desk **Call Management Specialist** as first line response, to ensure all calls are expedited quickly and escalated if required. As well as this, our customers will also benefit from the addition of a new **Communications Specialist** whose capabilities include telephony, local and wide area networking and server technologies.

With these and many other planned improvements, we hope to bring greater benefits and improve the service we offer our customers. Visit our website at www.ncs-ltd.com to find out more.
